

ABACUS ARCHITECTS, INC. EDUCATION SCHOLARSHIP
2019-2020 COLLEGE ACADEMIC YEAR

Wisconsin professionals with extensive experience in design and planning formed the Sheboygan- and Milwaukee-based Abacus Architects, Inc., in 2003. For many of the firm's leaders, education within the University of Wisconsin system provided the foundation for their careers in architecture and engineering. With gratitude and pleasure, these individuals, along with the entire firm, give back to the University system through the Abacus Architects, Inc. Education Scholarship. It is our hope that this scholarship helps others learn, grow, and gain expertise in their fields so that they are able to enhance the communities in which they work and live.

Amount of Award: One scholarship – \$1,000

Eligibility Requirements:

1. Incoming (enrolled) freshman or enrolled full time in coursework leading to a career in architecture, engineering or the arts
2. Cumulative high school or undergraduate GPA of at least 3.00
3. Wisconsin resident

Priorities

1. First priority preference given to new freshman pursuing an undergraduate degree in architecture, engineering or the arts.
2. Second priority preference given to an existing student pursuing an undergraduate degree in architecture, engineering or the arts from your school district.
3. Third priority preference given to any student planning to attend, or already attending a UW school in any undergraduate degree.
