Re: Leo & Ann Stoll Scholarship Award

Dear Angela:

I am pleased to inform you that two of your students may be eligible to receive two separate scholarships in the amount of \$1,500.00 each from the Leo & Ann Stoll Charitable Trust. One student must have plans to advance their post high school education in the field of Broadcast Journalism and the other must plan to pursue a career in Business Management. The applicants must attend one of the following schools: Platteville, Potosi or is a resident of the Dickeyville/Kieler area. In this circumstance, the student may have completed high school in Cuba City or Hazel Green but must have residency in Dickeyville or Kieler, Wisconsin.

As your school's Guidance Counselor, you know your students very well. Therefore, we are asking you to submit a Letter of Recommendation for a student that desires to study Business Management or Broadcast Journalism. Your recommendation should be based on the student's ability to succeed in this area of study, the students need, aptitude and most importantly a strong desire to be in the above referenced fields of study. **In addition, we ask that the chosen candidates complete the enclosed application and return it with your letter of recommendation.** This scholarship is not to be limited to the top students in school but those students who have shown aptitude and advancement toward a meaningful education and both of whom have a cumulative grade point average of at least a 3.0 on a 4.0 grading scale or equivalent. To allow ample time for review of the submitted recommendations, please submit your recommendation by the due date of **March 31, 2022.**

Once the recipient has been chosen, I will notify you so the student can be informed of the final requirement before any funds are disbursed. **The recipient must successfully complete their first semester of study with a grade point average of at least 3.0 on a 4.0 scale.** The student will need to **provide proof of this** to Mound City Bank before a check can be issued.
